Tuition Payment Plan Policy

Tuition and fees not covered by financial aid are due at registration. Students who are unable to meet this requirement may elect a Tuition Payment Plan upon approval of credit by Antioch University Los Angeles. These arrangements must be made in advance of registration. At least 40% of the amount owed must be paid in order to register, and a fee of \$40 is required on all Tuition Payment Plans. The 60% balance is paid in three equal installments. Checks and all credit cards are accepted for payment. Online payment is available via *my*Antioch.

In addition, the Late Payment Fee is assessed whenever the student fails to meet any installment payment obligation on time. Students who owe amounts from a previous quarter may be denied re-enrollment at registration.

Tuition Refund Policy

For quarter-based programs (MAP, BA, MAE, & MAOM):

The refund schedule for all quarter programs, as shown below, applies in cases of withdrawal from the University as well as in cases for reductions in the number of units for which a student is enrolled during a quarter:

New and continuing students in any of the quarter programs who drop classes during and/or after the add/drop period are subject to the following tuition refund schedule:

First 2 weeks (14 days)	=	100%
Week 3 (21 days)	=	70%
Week 4 (28 days)	=	60%
Week 5 (35 days)	=	50%
Week 6 (42 days)	=	40%, drops to 0% after Week 6

For semester-based programs (MFA and MA Urban Sustainability):

Students in the semester-based programs who withdraw during the periods stated below are subject to a percentage refund of tuition which will be calculated based on the date the Office of the Registrar received the student's written notification of his/her intention to withdraw.

The **MFA program** refund schedule is as follows:

<i>At least two weeks prior to the MFA Residency</i>	=	75% refund of the semester's tuition
<i>Prior to the first day of the online Project Period</i>	=	50% refund of the semester's tuition
<i>Prior to the first day of the third month of the online Project Period</i>	=	25% refund of the semester's tuition
<i>Thereafter</i>	=	0% refund of the semester's tuition

The **MA Urban Sustainability program** refund schedule is as follows:

<i>Prior to first day of residency</i>	=	100% refund of the semester's tuition
<i>After attending any part of residency to end of residency</i>	=	50% refund of the semester's tuition
<i>Through four (4) weeks after residency</i>	=	25% refund of the semester's tuition
<i>Thereafter</i>	=	0% refund of the semester's tuition

All students receiving federal financial aid funds who fully withdraw from the university after the add/drop period are subject to the "Federal Return of Title IV Funds" policy which determines the amount of Federal Title IV aid that must be returned to the Federal government by the school and the student. Refer to the Withdrawal and Return of Title IV Funds Policy in this catalog.

If the University cancels or discontinues a course, the University will make a full refund of all associated tuition charges. Refunds will be paid within 30 days of receipt of notification of cancellation or withdrawal. If a student's payment status changes (i.e. from full-time to half-time or from half-time to a per unit charge), a percentage refund shall be given. The percentage refund shall be calculated based on the above refund schedule.
